## LEGISLATIVE ASSEMBLY.

## PRIVATE BILLS.

## EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

## Rule 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Jointstock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also

at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring  $10\frac{3}{4}$  inches by  $7\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.

Dated October 30th, 1922.

I HEREBY CERTIFY that "The First Baptist Church of North Vancouver, B.C.," has this day been incorporated as a Society under the "Societies Act."

The locality in which the operations of the Society will be chiefly carried on is North Vancouver, in the Province of British Columbia.

Given under my hand and seal of office at Victoria, Province of British Columbia, this twenty-fifth day of March, one thousand nine hundred and twenty-six.

[L.S.]

H. G. GARRETT,

*Registrar of Companies.*

The objects of the Society are:—

The salvation of mankind and the extension of the Kingdom of our Lord and Saviour Christ Jesus, the rules of faith and practice being substantially as follows:—

That we believe that the Holy Bible was written by men supernaturally inspired; that it has truth without admixture of error for its matter; and therefore is, and shall remain to the end of the age, the only complete and final revelation of the will of God to man, the true centre of Christian union, and the supreme standard by which all human conduct, creeds, and opinions shall be tried:

By "Holy Bible" we mean that collection of sixty-six books, from Genesis to Revelation, which, as originally written, does not merely contain and convey the Word of God, but IS the very Word of God:

By "Inspiration" we mean that the Books of the Bible were written by holy men of old, as they were moved by the Holy Spirit, in such a definite way that their writings were supernaturally inspired and free from error, as no other writings have ever been or ever will be inspired:

We believe that there is one, and only one, living and true God, an infinite, intelligent Spirit, the Maker and Supreme Ruler of heaven and earth; inexpressibly glorious in holiness and worthy of all possible honour, confidence, and love; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Spirit, equal in every Divine perfection, and executing distinct but harmonious efforts in the great work of redemption and salvation:

We believe that the Holy Spirit is a Divine person, equal with God the Father and God the Son; that He was active in the creation; that He convicts of sin, of judgment, and of righteousness, and that He bears witness to the truth of the gospel in preaching and testimony; that He is the Agent in the new birth; that He seals, baptizes, endues, guides, teaches, witnesses, sanctifies, and helps the believer:

We believe that Satan was once holy and enjoyed heavenly honours; but through pride and ambition to be as the Almighty, fell and drew after him a host of angels; that he is now the malignant prince of the power of the air and the unholy god of this world. We hold him to be man's great tempter, the enemy of God and Christ, the accuser of the saints, the author of all false religions, the chief power back of the present apostasy, the lord of

the anti-Christ, and the author of all the powers of darkness—destined, however, to final defeat at the hands of God's Son, and the judgment of an eternal justice in hell, a place prepared for him and his angels:

We believe in the Genesis account of creation, and that it is to be accepted literally, and not allegorically or figuratively; that man was created in God's own image and after His own likeness; that the creation of man was not a matter of evolution or evolutionary change of species, or development through interminable periods of time from lower to higher forms; that all animal and vegetable life was made directly, and God's established law was that they should bring forth only "after their kind":

We believe that man was created in innocence under the law of his Maker, but by voluntary transgression fell from his sinless and happy state; in consequence of which all mankind are now sinners, not by constraint, but by choice, and, therefore, under just condemnation without defence or excuse:

We believe that Christ Jesus was begotten of the Holy Ghost in a miraculous manner; born of Mary, a virgin, as no other man was ever born or can ever be born of woman, and that He is both the Son of God, and God, the Son:

We believe that the salvation of sinners is wholly of grace, through the mediatorial offices of the Son of God, who, by the appointment of the Father, freely took upon Him our nature, yet without sin, honoured the Divine law by His personal obedience, and by His death made a full and vicarious atonement for our sins; that His atonement consisted not in setting us an example by His death as a martyr, but was the voluntary substitution of Himself in the sinner's place, the Just dying for the unjust, Christ, the Lord, bearing our sins in His own body on the tree; that, having risen from the dead, He is now enthroned in heaven, and uniting in His Wonderful Person the tenderest sympathies with Divine perfection, He is every way qualified to be a suitable, compassionate, and all-sufficient Saviour:

We believe that, in order to be saved, sinners must be "born again"; that this "new birth" is a new creation in Christ Jesus; that it is instantaneous and not a process; that in the "new birth" the one dead in trespasses and in sins is made a partaker of the Divine nature, and receives eternal life, the free gift of God; that this new creation is brought about in a manner above our comprehension, not by culture, not by character, nor by the will of man; but wholly and solely by the power of the Holy Spirit in connection with Divine truth, so as to secure our voluntary obedience to the gospel; and that its proper evidence appears in the holy fruits of repentance and faith and newness of life:

We believe in God's electing grace; that the blessings of salvation are made free to all by the gospel; that it is the immediate duty of all to accept them by a cordial, penitent, and obedient faith; and that nothing prevents the salvation of the greatest sinner on earth but his own inherent depravity and voluntary rejection of the gospel; which rejection involves him in an aggravated condemnation:

We believe that the great gospel blessing which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the gift of eternal life on principles of righteousness; that it is bestowed not in consideration of any works of righteousness which we have done; but solely through faith in the Redeemer's blood. His righteousness is imputed unto us:

We believe that repentance and faith are solemn obligations and are inseparable graces, wrought in our souls by the quickening Spirit of God; thereby being deeply convicted of our guilt, danger, and helplessness, and of the way of salvation by Christ, we turn to God with unfeigned contrition, confession, and supplication for mercy; at the same time heartily receiving the Lord, Christ Jesus, and openly confessing Him as our only and all-sufficient Saviour:

We believe that a church of Christ is a congregation of baptized believers associated by a cov-

enant of faith and fellowship of the gospel; observing the ordinances of Christ; governed by His laws; and exercising the gifts, rights, and privileges invested in them by His word for the saving and healing of body, soul, and spirit; that its officers of ordination are pastors, elders, and deacons, whose qualifications, claims, and duties are clearly defined in the scriptures. We believe that the true mission of the church is found in the great commission: First, to make individual disciples; second, to build up the church; third, to teach and instruct, as He has commanded. We do not believe in the reversal of this order; we hold that the local church has the absolute right of self-government, free from the interference of individuals or organizations; and that the one and only Superintendent is Christ, through the Holy Spirit:

We believe that it is scriptural for true churches to co-operate with each other in contending for the faith and for the furtherance of the gospel; that every church is the sole and only judge of the measure and method of its co-operation; on all matters of membership, of discipline, of benevolence, the will of the local church is final:

We believe that Christian baptism is the immersion in water of a believer, into the name of the Father, the Son, and the Holy Ghost; to show forth in a solemn and beautiful emblem our faith in the crucified, buried, and risen Saviour, with its effect in our death to sin and resurrection to a new life; and that it is prerequisite to the privileges of church membership:

We believe that in the Lord's Supper, those partaking, by the sacred use of bread and wine, commemorate together the death of Christ on Calvary and His coming again to earth. We believe, further, that all partaking should first subject themselves to solemn self-examination:

We believe and accept the sacred Scriptures upon the subjects of the Resurrection, the Return of Christ, and related events, at their face and full value:

It is the declared purpose of this Society to make no compromise with Modernism. This Society will be no respecter of persons; but will oppose the principles of Modernism by whomsoever they may be espoused:

To acquire or take over land and premises or to build premises for the purposes of the Society.
